To Blackscarface: Wow...You sound really well educated! If you thought that was funny you must also be a great person! Your mother or I'm sorry "Matha" would be so proud!

Oh man, can you imagine if a white guy had stolen the spotlight from a black woman in the same position? He'd have hell to pay. Sharpton would be on than quicker than a lion to an impala. I think we can collectively refer to this guy as a ruthless, careless nigger, and he'll get a pass on the media like they all do.
